

JAEGER-LECOULTRE AMBASSADORS ANYA TAYLOR-JOY AND NICHOLAS HOULT ATTEND THE WORLD PREMIERE OF THE MENU IN LONDON

London, November 9th, 2022

At the world premiere of *The Menu*, Anya chose to wear the Jaeger-LeCoultre 101 Reine in white gold, while Nicholas sported the new Reverso Tribute Duoface Calendar in pink gold with a grey canvas and calf Fagliano collection strap.

With a stunningly symmetrical design, the 101 Reine is a timepiece of great beauty. A silvered opaline dial and bracelet adorned with diamonds give the piece a timeless grace with an air of classic sophistication. Since 1929, the Jaeger-LeCoultre Calibre 101 is a symbol of the unique expertise of the watchmakers of La Grande Maison and has stood out in terms of the mastery of absolute miniaturisation.

Introduced in 1931, Reverso has endlessly evolved in the spirit of innovation. As night follows day, the Reverso Tribute Duoface Calendar effortlessly switches from its classic Art Deco-style silver sunray-brushed dial, to a newly refined reverse-side dial, with a redesigned night & day indicator.

In *The Menu*, a movie directed by English Director Mark Mylod, Jaeger-LeCoultre ambassadors Anya Taylor-Joy and Nicholas Hoult star as a young couple who travels to an isolated island to eat at a fine-dining restaurant where the chef has prepared a gourmet menu full of surprises. The comedy-horror movie *The Menu* will be released on 18 November 2022 in the UK and United States.

In Autumn 2022, Jaeger-LeCoultre united the talents of Nicholas Hoult and Anya Taylor-Joy in *A New Turn*, a captivating new video dedicated to the Reverso collection.
